It Takes A Family Conservatism

Among politicians of national stature today, there is perhaps none more respected as a principled conservative than Rick Santorum. In It Takes a Family: Conservatism and the Common Good, Santorum articulates the humane vision that he believes must inform public policy if it is to be effective and just. An appreciation for the civic bonds that unite a community lies at the heart of genuine conservatism.

It Takes a Family: Conservatism and the Common Good by ...
To understand Santorum’s worldview and vision for America, there is no better source than his New York Times bestselling book, It Takes a Family. It Takes a Family is one of the most profound and comprehensive books of political thought ever written by a politician. Santorum offers a penetrating look at the social, political, and economic shifts that have hurt American families—and a principled, genuinely conservative plan for reversing this slide.

It Takes A Family Conservatism And The Common Good
It Takes a Family is a 2005 book by then Pennsylvania Senator Rick Santorum. The title is a response to the 1996 book It Takes a Village by then-First Lady Hillary Clinton. In the book, Santorum states that the family structure is necessary. He argues that liberal social policies have devastated the family structure and that prevailing socially liberal attitudes have systematically devalued families across the board. He argues that government should take a proactive role in promoting strong fami
